

"The Tradition Continues"

NANUET COMMUNITY AMBULANCE CORPS, INC

December 2016

Dear Friends and Neighbors:

The Nanuet Community Ambulance Corps has proudly served the community since 1942.

Each year our call volume increases and in 2015 we responded to over 2600 911 calls in our community. In order to maintain the best level of service to our neighbors we are asking for your help.

Nanuet Ambulance volunteers are residents of Nanuet and its neighboring communities who are dedicated to serving the community despite their busy schedules as parents, business people, public servants, health care providers, people just like you. It is their selfless dedication that makes the difference in the personal care that we provide.

It is our mission to continue "the tradition" of providing the best care to our community that was started by our founders over a cup of coffee so many years ago.

In order to meet our mission and provide services in our community, we rely on the generosity of individuals and businesses for support. Without the assistance of community-minded individuals just like you, it would be more difficult to serve our community each year.

Your generosity is appreciated and remember every donation makes a difference.

Thank you in advance for your support and a happy and healthy new year to you!

Sincerely,

Barbara A. Wallenstein
President
